Product Designer

A Creative Product Designer with a passion for crafting user-friendly, visually appealing digital experiences. Skilled in user research, wireframing, prototyping, and visual design, with expertise in Figma and Visual Studio Code. A collaborative team player committed to enhancing user satisfaction.

Experience

NHS │ Switchboard Operator
March 2022 – Present
Manage high-volume of calls and ensure efficient communication. This role sharpens my attention to detail and problem-solving skills while collaborating closely with healthcare professionals.

Smart Works │ Stylist and Client Champion
December 2023 – Present
I Provide personalised styling services to boost client confidence and satisfaction. This role enhances my design eye and attention to detail while working with a diverse team.

Projects

Triptify │ UX/UI Designer
Designed a travel app with a focus on personalised recommendations and seamless navigation.
I worked on wireframes, user flows, and interactive prototypes.

All About Human Food │ Product Designer
Designed a user-friendly nutrition app that offers detailed ingredient breakdowns, while focusing on creating engaging visuals and intuitive interactions.

Redesigning Amazon Prime Video │ Product Designer
Redesigned the Amazon Prime Video website to enhance user engagement and content discovery. Worked on improving visual elements and overall usability.

Education

University Of Birmingham │ UX/UI Design Boot camp   Feb 2024 - Aug 2024

Dudley College │ English & Mathematics   Sep 2019 - Aug 2021
